

ZERO SINGLE ELASTICATED LANYARD WITH SNAP HOOKS

HR 021

AS/NZS 1891.1:2007, EN 355, EN 359, CE

An essential item for any height safety kit. European quality.

Features:

- Elasticated webbing lanyard with snap hooks at both ends
- Total extended length is 2m, with the elastic cover helping to reduce slack which could become a trip hazard
- Includes shock absorber- do not remove the clear cover as this is integral
- Standard simple lanyard for attachment to anchor points, providing safe fall arrest system
- Shock absorber end connects to the fall arrest point on the harness
- Snap hook rated to 20kN
- Range of other hardware options available (see below).

Dimensions	2m length
Material	Polyamide 100%
